Sanction to the entertainment of a Surveyor for a period of three months in Harihar Town Municipality

In forwarding herewith letter No H C 46/44-45 dated 3-11-44 received from the President, Town Municipal Council, Harihar on the above subject, I have the honour to state that the President reports that on account of the difficulty experienced in setting the rights of persons over the extent of lands in their private holdings, as no demarcation line exists between the private holdings and the Municipal vacant sites the question of entertaining a Surveyor temporarily for a period of 3 or 4 months was discussed by the Municipal Council at its meeting held on the 30th October 1944, when it was resolved that a Surveyor of the Public works Department may be entertained for a period of 3 months, the expenditure in this behalf being met out of the closing balance

I agree with the President of the Municipality
